

# Faber Vineyard

*Faber Vineyard was established in 1997 by well-known winemaker John Griffiths. The dream is to grow regionally distinctive grapes and craft wines that are rich and flavoursome.*

## 2011 Blanc de Blanc

### *Swan Valley, WA*

*“The colour is pale straw with an intense nose displaying complex bready, toasty cashews. These complex lees aged characters dominate”.*

*“The palate is fresh and bright but with depth and richness. Complex range of flavours from secondary fermentation and lees aging fill the palate with nutty, nougat and cashew flavours. The finish is long with a lingering rich and flavoursome after taste”.*

*“From a warm vinatage this wine shows Robust flavours and richness.*

*With over 2 years on yeast lees the wine is showing typical bottle ferment characters which bring complexity making it a highly attractive drink”.*
