

# Faber Vineyard

*Faber Vineyard was established in 1997 by well-known winemaker John Griffiths.  
The dream is to grow regionally distinctive grapes and craft wines that are rich and flavoursome.*

## 2012 Blanc de Blanc

Swan Valley, Western Australia

The grapes were handpicked on 22 January from Faber Vineyard and was chilled overnight then whole bunch pressed to maximise juice quality. The juice is settled overnight then inoculated for fermentation. Following fermentation the wine is stabilised and filtered prior to triaging and aging on lees for up to 28 months.. It is disgorged but not liqueured.

Pale straw in colour. Fresh lemon and fragrant fruit with briney and bready characters.

It is vibrant and crisp on the palate with lemony flavours and bright acidity. The finish has superb length.
