

Faber Vineyard

Faber Vineyard was established in 1997 by well-known winemaker John Griffiths. The dream is to grow regionally distinctive grapes and craft wines that are rich and flavoursome.

2012 Riche Shiraz

Swan Valley, WA

“The wine displays a deep burgundy red. The nose has lifted sweet fruit of plum and mulberry absolutely typical of the Swan Valley—with notes of toasty oak and hints of dark chocolate and black olives”.

“The palate is full, rich and thick with delicious Sweet fruit, black olive, cedar and some tannin grip from skins and oak giving structure and length. The flavours and mouthfeel lingering after swallowing for several minutes”.

“A typical sweet fruited Swan Valley Shiraz, yet with a deeper, intense cone of complex fruit and oak flavours with an underlying richness that makes this an outstanding vintage of Riche Shiraz”.

“The fruit for this wine comes from the Faber Vineyard in the Swan Valley. Its such a smoothly textured and seamless Shiraz in the best style of the Swan Valley. Ripe, dark plummy fruit with a liberal influence of oak. Intensity builds in the mouth and delivers to a sustained finish. This is a wine that will handle extended cellaring.”

“93 points, cellar 12 years Ray Jordan—The West Australian Wine Guide 2014

faber n. (Latin) / fae-ber / craft, trade, skilful, dedicated, creative
