

#### **FABER VINEYARD 2006 PETIT VERDOT**

“An intense nose with young black cherry and blackcurrant fruit and a juicy richness characterises the 2006 Faber Vineyard (Swan Valley). The palate is fresh and lively, with plenty of cassis flavour, dry but balanced tannins and an easy drinkability. Otton loved the wine, noting “violet and spearmint fragrance”. Very youthful with high acidity and tight tannins. The wine is made as an early-drinking style and succeeds well. Enjoy it over the next couple of years.”

*Gourmet Traveller WINE, June / July 2007*
