

Faber Vineyard Frankland River Cabernet Sauvignon 2011

Posted on 04 April 2014.

John Griffiths. Frankland River. Cabernet Sauvignon. It can be a killer combination.

Any way you look at it, this is a quality wine. Purity of fruit, varietal character, length, balance, you name it. It tastes of blackcurrant, bay leaves, black olive, coffee and cloves. It has terrifically fine-grained tannin and impeccable balance. This is one of those 'you had me at hello' wines for me.

Rated : 94 Points

Alcohol : 13.8%

Closure : Cork

Drink : 2018 - 2024+
