

FABER VINEYARD 2008 PETIT VERDOT

“Really quite a ride. From the floral sweet pea aroma to the brooding, punchy black cassis. It’s a variety superbly suited to the Swan Valley and when tended to, can stand alone in the ring. Kicks into high gear once you have given it some time to burrow into your tongue. Timbery oak facilitates this full-bodied colossus to a linear ending.”

Jason Boudville, Spice Magazine Autumn 2010
